

Rehearsal Supervision

On site - many needed from 2:50 to 5:00 (2 or more per rehearsal, TBD)

OVERVIEW

This is the **ONLY** way to view the magic as it happens! Sign up for shifts that fit your schedule to ensure a “controlled” environment for rehearsals.

GOALS

1. Obtain cast list/ help Directors check in children
2. Report any absences to Directors
3. Keep the noise level down! This cannot be stressed enough! We want the kids to enjoy their friends **BUT** they must do so quietly! Encourage kids to do their homework whenever possible.
4. Monitor bathroom requests, escort if leaving the cafeteria
5. Remind students to pick up after themselves
6. Release children at end of rehearsal by standing by the door and waiting for parents. Use cast list to check off names. Some students have prior permission to walk, ride bikes, etc. They need to be checked on the roll sheet as well.

TIMELINE

Shift sign ups will begin with the first rehearsal on Sept. 26 and will be ongoing until Dress Rehearsal in March.
